

The Salvation Army Agapé Hospice in Calgary provides unconditional love and acceptance to individuals in need of end of life care. Agapé is a leader in giving excellent individualized physical, social, emotional and spiritual care. Residents and their loved ones are assured of dignity, respect and hope, in a home like, welcoming setting.

We currently are recruiting for the following position:

CASUAL MAINTENANCE WORKER II

RESPONSIBILITIES:

As a member of the interdisciplinary team, the Maintenance Worker provides engineering and maintenance support of facility operations, including: operating and maintaining the physical plant, coordinating and directing contractors and trades providing support to Agapé; ongoing preventative maintenance, repair, and construction of the building and equipment. This position also acts as the building Fire Marshall by arranging regular fire drills and ensuring monthly inspection reports are completed; participates as a member of the JHSC; provides security support and services during scheduled shifts.

QUALIFICATIONS:

- Completion of a Building Operator A or B, 5th Class Power Engineering program required
- Additional trade such as Plumber, Electrician, Carpenter an asset
- An equivalent combination of education and experience directly related to the position may be considered
- 3-5 years' experience in the operation and maintenance of a commercial or health care facility preferred
- Must be self-motivated and capable of working with minimal supervision
- Ability to communicate effectively in English, both written and verbal
- Must be skilled in the use of hand and power tools

Subject to the terms and conditions of applicable collective agreement
