## Policy

---

Interdenominational chapel services are provided for the spiritual nurture, comfort and strengthening of Residents, family members and staff.

## Procedure

---

1. The Spiritual Care Coordinator, chaplain or designate will lead a chapel service one day a week along with special services when required. The service time is 09:00 – 09:15 hours.
2. Reception will make an announcement over the paging system 15 minutes before the service begins and again at the time of commencement.
3. Set-up of the chapel is the responsibility of the presider.
4. If a member of the Spiritual Care department is unavailable to lead the service a designate will be sought in order to provide continuity in this ministry.
