Policy

The Salvation Army Agape Hospice is serviced by ADT Securities and the fire alarm is monitored by ADT 24 hours per day, 365 days per year. Refer to the Emergency Response Manual for instructions regarding disarming the system, reporting false alarms; and for implementation of the fire safety plan when an alarm is activated.

All staff will be trained regarding the system and the fire safety plan during orientation. Annual updates and fire drills will be conducted under the supervision of Facilities and in collaboration with the Educator.
