Policy

The Salvation Army Agapé Hospice will maintain an Infection Prevention and Control (IP&C) binder, ensuring that it is accessible to all hospice staff. The Educator will sit on the Integrated Supported Facility Living (ISFL) IP&C committee. The Educator is responsible for keeping the IP&C binder up-to-date, and disseminating pertinent information.

For information pertaining to infection prevention and control issues refer to the Infection Prevention and Control binder located in the 2nd floor work station. The IP&C binder will include:

- AHS Contact List;
- Point of Care Risk Assessment;
- AHS Outbreak Tool Kit and, AHS Document Guidelines for Outbreak Prevention, Control and Management in Acute Care and Facility Living Sites, Included Influenza and Gastrointestinal Illness
- AHS Infection Prevention and Control Resource Manual for Continuing Care
- Precautions Information and Posters;
- Hand Hygiene;
- Donning and Doffing PPE;
- UTI and Pneumonia Information and Tracking;
- Environmental Cleaning;
- Public Health Act – Bodies of Deceased Persons Regulations;
- ISFL IP&C Meeting Minutes;
